## PET POLICY

HOTEL FINCA DE LOS ARANDINOS reserves the right to admit pets, based on administrative decisions and our policies. Our priority is the comfort and peace of all our guests.

- Only 1 pet is allowed per room.
- Pets less of 4 kg, without supplement.
- Pets over 4 Kg, a supplement of 25 € per room night will be charged.
- All the pets must be ALWAYS under the supervision of the owner.
- Pets are not allowed to stay unattended in any room (with the exception of breakfast or meal time inside the hotel).
- Pets must be out of the room during housekeeping.
- Dogs are permitted to walk through any area of the property WHILE ON A LEASH, AT ALL TIMES, and accompanied by the owner (interior and exterior).
- All the pets must bring their own pet bed.
- Pets are forbidden to sleep in the room's furniture and the hotel.
- Pets are not allowed to stay in the restaurant area or the spa (or common areas inside the hotel that may pose a nuisance to other guests).
- Guests will be held liable for any damage caused by the pet.
- Space and tranquility of the other guests must be respected.
- It is the owner's responsibility to keep the pets hygiene.
- Within the property there is no place to relieve themselves, so it would be highly recommended to have a walk around the hotel (outside the property), as long as every pet disposal will be picked up.
- Do not bathe your pet in the shower room or use the towels from our property to dry it.
- Do not forget to give to the reception staff a copy of this document signed, as evidence of acceptance.

We appreciate the compliance with these rules and hope you have a pleasant stay in our hotel.

Please be a responsible pet owner.
